About the Institute

The College of Engineering Trivandrum (CET), established in 1939, is the first engineering college in Kerala and among the oldest in India. Functioning under the Directorate of Technical Education, Government of Kerala, and affiliated to APJ Abdul Kalam Technological University, CET is a premier institution for higher education in engineering, architecture, and planning.

ATAL Academy

The AICTE Training and Learning (ATAL) Academy aims to enhance the quality of higher education by providing training to faculty and students. The academy's main goal is to improve the knowledge and skills of educators and young people, making them more competitive in the global job market.
